

Start your Voice Thread experience by viewing What is a Voice Thread. Click the Browse tab and find What is a Voice Thread.

You'll need your sound on to hear the narration. It's a great way to learn about what Voice Thread can do.

The instructions below are a simple guide to get started. Once you've registered, your account can be found under the My Voice tab.

Any Voice Threads you have created as well as sample Voice Threads can be found here.

To create a Voice Thread, click on Create.
